Cruise the tranquil River Orwell and enjoy a beautifully relaxed dining experience, where fresh food, flowing drinks and front-row views come together – simple, stylish, and seriously enjoyable.

ABOUT THE EXPERIENCE

Built in Miami in 1942 as a South African Air Force air-sea rescue launch, Allen Gardiner is a beautifully crafted wooden vessel full of character and history.

Brought to Ipswich from Durban, she now cruises from Fox's Marina beneath the iconic Orwell Bridge, heading towards the great estuaries of Felixstowe and Harwich. With space for up to 12 guests, she offers generous deck space to relax and take in the river views in summer, while in winter the warm saloon and glowing wood burner create a wonderfully cosy setting for peaceful, fireside cruising.

BREAKFAST CRUISE

Indulge in a leisurely three-course cooked breakfast, complete with hot muffins and homemade apple pie with cream, as you cruise the picturesque River Orwell. For those special occasions, champagne or sparkling wine is available to add a little extra sparkle to your celebration.

LUNCH, SUPPER & DINNER CRUISES

Relax and enjoy a beautifully prepared meal as you cruise downriver towards the Port of Felixstowe and Harwich. With drinks in hand and ever-changing views outside, your food is freshly cooked in the galley using Suffolk's finest local produce – seasonal, and full of flavour.

Gluten-free, dairy-free, vegetarian and vegan options are available.

Our sister ship, the Lady Florence is also available for river cruise dining from Orford.
