Enjoy an unforgettable experience with an enchanting cruise featuring scrumptious, freshly prepared food and drinks on the tranquil waters of the River Orwell.

A BRIEF HISTORY OF THE ALLEN GARDINER

Built in Miami, Florida, in 1942 as a South African Air Force air-sea rescue launch, the Allen Gardiner has the character of a fine wooden ship. In 2011, she underwent a rebuild before being transported to Ipswich from Durban, South Africa.

Cruising from Fox's Marina, under the stunning Orwell Bridge and down towards the Port of Felixstowe and Harwich, the Allen Gardiner offers plenty of space on deck to enjoy the calm waters of the Rivers Orwell during the summer months, as well as a cosy wood burner in the saloon for quieter, more serene winter trips.

BREAKFAST CRUISES

Enjoy a full cooked 3-course breakfast, hot muffins and home-made apple pie with cream whilst cruising along the picturesque River Orwell. For special celebrations, champagne or sparkling wine is available from £26.95 per bottle.

LUNCH, SUPPER & DINNER CRUISES

Enjoy a delicious meal whilst cruising down river towards the Port of Felixstowe and Harwich. As you relax with drinks, your meal is freshly prepared on board using produce from some of Suffolk's finest local suppliers.

Our fully stocked bar includes a carefully chosen selection of South African wines imported exclusively for the Allen Gardiner.

The Allen Gardiner has a sister ship, the Lady Florence sailing from Orford which is also available for river cruise dining.
